Committee: Joint Committee On Transportation  
Measure: HB2756

Dear members of the Joint Transportation Committee,  
My name is Adrian Hinckley and I am a resident and business owner in Tigard.

Hall Boulevard is a dangerous road in our community. Hall has poor road surface conditions, potholes, and no sidewalks or crosswalks in places that there should be. Multiple people have been struck on Hall. It's unsafe for drivers, pedestrians, bikers, and most importantly, the children who use Hall to get to school. These kids are being put in unnecessary danger just to get an education. This is unacceptable.

Tigard is willing to do their part to help improve Hall Boulevard, and it's time that the state fulfill its obligations. After years of neglect to the detriment of our community, we deserve a safe road for all users. To make this happen we need you to pass House Bill 2756 to fix Hall and give it to the people who actually use it. Please pass House Bill 2756 to make Hall Boulevard safer. Thank you for your consideration.
