

Submitter: Patty Lofgren
On Behalf Of: HB 2756
Committee: Joint Committee On Transportation
Measure: HB2756

Dear members of the Joint Transportation Committee,

My name is Patty Lofgren and I am a long time resident of Tigard and a former classroom teacher.

Hall Boulevard has become a very dangerous road here in Tigard. There have been a number of tragic incidents there in the past year and something must be done to protect the residents and those who use the road. As a teacher, I am very concerned about the children who use Hall to get to school. These kids are being put in unnecessary danger just to get an education. This is unacceptable.

I know that Tigard is willing to do their part to help improve Hall Boulevard, and it's time that the state fulfill its obligations. After years of neglect to the detriment of our community, we deserve a safe road for all users. To make this happen we need you to pass House Bill 2756 to fix Hall Boulevard.

Please, please pass House Bill 2756 to make Hall Boulevard safer. Thank you for your consideration.

Most sincerely,
Patty
