On Behalf Of: Your Oath
Committee: House Committee On Rules
Measure: HB2572

Members of Rules,

I keep thinking that the backers of Bills like this will seek information outside of their closed bubbles. I really wanted to hope that it is possible. And I keep being horribly disappointed. And maybe the subterfuge writing is on purpose rather than just ignorant.

Your goose stepping continues in either case.

You are demonstrating beyond any doubts that you operate as a mob. Refusing to see how you have divided Oregon and making no sincere attempt at working with actual remedies is sickening and heart breaking.

Your harrowing reign is so clearly laid out for the entire Country to see, for the world. And you proceed with Bills that absolutely will continue to make Oregon the lowest denominator. Nothing could prove your lack of understanding or self awareness more so than 2002 and 2005. Indoctrination is not education and destroying our Rights is not leadership.

Absolutely NO to HB 2572

An Oath means nothing to you.

I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God.
