

Submitter: Wayne Abbe
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2572

I would like to write in opposition to HB 2572

this bill would be bad for churches and other small groups of people seeking to train their people on security situations ...

they could possibly be branded as "paramilitary".

Who is to decide what constitutes civil disobedience?

It is all vague at best ...

I don't trust the state of Oregon to determine what a persons "Intentions" were..

"WITH INTENT" is completely subjective term..

A neighborhood watch that is organized and has training could be considered a paramilitary..

This is bad legislation please don't support it
