

Submitter: Patrick Mckenna
On Behalf Of: We the people
Committee: House Committee On Rules
Measure: HB2572

I oppose any law or laws that violates the 2nd amendment. This law does nothing but makes law abiding citizens criminals overnight. And does nothing to stop criminals from being criminals. They need to go after bad people breaking laws already on the books. This law promotes criminals to keep being criminals and forces more people to be the victim or break the unconstitutional law.
