Measure: HB2572

I firmly oppose any and all over reach of power that Oregon is doing. Enough is enough!! This abuse of power didn't work out very well for the British when they tried these same actions. If you woke folk would pick up and read a history book instead of trying to change it then you would know how that played out. I love my state and my country and all of my fellow Americans even though we don't agree all the time. Stop using my tax dollars to try and strop away all of our rights. Even though people in power oppose guns, it is still their right to bear arms and you people are too blind and irrational to realize you are oppressing yourselves too!. Gun laws don't save lives and my tax dollars aren't for you to spend on unconstitutional bills and lawsuits. Use my taxes for mental health education and homelessness. Oregon is a great state and you greedy politicians are ruining it for us all.
