Measure: HB2572

I strongly urge the NO vote on this HB2572, as it is clearly a violation of the state of Oregon and the US Constitution. This bill clearly violates my 1st amendment rights and clearly impedes on my 2nd Amendment rights as well. There should be NO good reason why I cant gather my family of 5 and go "TRAIN" with our legally obtained and owned weapons without fear of being prosecuted for forming a paramilitary organization... Also in the same scenario my old military buddies and I go the woods 1x a year for a week and also train in the same manner, this does not make a paramilitary organization. However the US CONSTITUTION does afford me and us the right to be a part of a militia. This bill is a very far left over reach of power and is nothing more than a backyard ploy for more firearm regulation.. I urge you to VOTE NO on this
