

Submitter: Heidi Weiland
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2572

I am writing you in OPPOSITION of HB 2572. Once again, bill writers are missing the mark on the actions that would actually make a difference when it comes to preventing violent crimes. This bill is written to target law abiding citizens that are exercising their first and second amendment rights, due to a misplaced perception that they may become militant. I've yet to attend any kind of protest or rally that any violent acts have occurred, unlike Antifa, the dumpster fire lighting, window breaking vandals that work to destroy our state, and threaten public safety as well as the livelihood of business owners and the law enforcement. STOP misplacing the blame on who commits these acts. Stop punishing law abiding citizens.

I encourage you to vote no on HB2872.
Thank you for your time.
