

Submitter: David Gray
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2572

I oppose this unconstitutional measure as it violates the freedom to assemble inalienable right under the 1st Amendment of the US Constitution.

This also violates the fact that by definition all men between the ages of 17 and 75 who are not prohibited from possessing a firearm are part of the Constitutional Militia

I would remind you to read Marbury v Madison, The Bill of Rights, and 18 USC sections 241 and 242.

I would also remind you that all veterans were wrongfully accused of being Domestic Terrorists in 2009 by our own federal government who later rescinded that accusation. Thus this bill could be used to close down essential resources for veterans as those resources could be called militia.

I also would remind you to quit pushing your agendas and start working for the citizens of Oregon instead of trying to deprive us of our rights and earned income.
