Measure: HB2572

I oppose all of the "new" gun laws. problems we think we have will not go away as "bad guys" do not follow laws... this is putting a stranglehold on law abiding citizens. we need to concentrate on more important things, drug and alcohol addiction programs and services. how many duii deaths have we witnesses, yet we still get drunk and drive. how many overdose deaths ? yet we still voted for decriminalization of drug crimes.
