Committee: Joint Committee On Transportation

Measure: HB2756

Members of the Joint Transportation Committee,

My name is Philip Mandel, and I am a resident of Beaverton.

Hall Boulevard is a dangerous road. I find myself frequently dodging potholes. There are stretches of Hall with no sidewalks or crosswalks in places there should be.

Riding a bicycle, either northbound or southbound? Rubble, uneven pavement, potholes, disappearing bike lanes...these issues and more make Hall unsafe for cyclists. And as you know, every trip made by bicycle means "one less car."

After years of neglect to the detriment of our community, we deserve a safe road for all users. To make this happen we need you to pass House Bill 2756 to fix Hall Boulevard.

Please pass House Bill 2756 to make Hall Boulevard safer. Thank you for your consideration.
