

Submitter: Matt Hodson

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB2756

I used to ride my bike on Hall Blvd several times a week commuting from SW Portland to Tualatin. The state of Hall Blvd was almost always bad and I even had to email ODOT to encourage more frequent street sweeping as there was a constant build up of glass and other dangerous items on the shoulders. Moving this to Tigard would allow for better more frequent maintenance.
