Committee: Joint Committee On Transportation

Measure: HB2756

As a regular, frequent driver along Hall Blvd along its entire route I am acutely aware of how much repair and improvement it needs to best serve its ever increasing traffic load. With a transfer of responsibility to a local jurisdiction the highway can receive the care and attention it deserves from its users and constituents, rather than lying dormant as but one sorry obligation in a morass of the state's backlog of urgent transportation projects. Please vote to allow this transfer of our beloved Hall Blvd to the City of Tigard.
