Committee: Joint Committee On Transportation

Measure: HB2756

As a resident of Tigard Oregon and current Chair of the Tigard Transportation Advisory Committee (TTAC) I support HB 2756. I support the partnership between the city and ODOT in their effort to fund critically needed improvements to Hall Boulevard and to transfer ownership of the road to the city. Bringing this section of Hall Boulevard up to current standards will remove barriers and increase the corridor's safety for all travel modes. It will serve all ages and abilities by installing and upgrading neglected bicycle and pedestrian facilities and addressing deficient bus transit infrastructure.
