On Behalf Of: Myself  
Committee: House Committee On Revenue  
Measure: SB1012

My name is Roger Lemons and I have resided here at 250 Detroit rd S since 1998 and previously owned a home at 260 Patton since 1990. My home at 250 detroit burned to the ground during the beechie wildfire of 2020. I am still trying to get my life back together. We lost everything and almost our lives. We CANNOT afford higher taxes. We can barely afford groceries and the new house payment. We pay more now per month and have 1/2 the home we used to own . Please don't penalize me for my home burning down. On top of everything else I am handicap and can't walk.
