

Submitter: Alexandra Bruckner

On Behalf Of:

Committee: House Committee On Judiciary

Measure: SB614

I strongly oppose any expansion of the "Security State;" the monitoring of everyday citizens done by the government under the guise of security/safety. We have seen how the government has been weaponized against citizens through the Patriot Act and how recently the FBI was spying on people in traditional Catholic churches. This is unconstitutional and it needs to stop. Vote against SB 614.
