Measure: SB422

We provide lawless opportunity for the homeless in Oregon. I think we can support tax paying, law abiding citizens who choose to ride two-wheels for pleasure, work, mobility, sustainability and many other reasons. By passing SB 422 this would empower 2 wheeled motorists to maintain self awareness, responsibility for one's self, safety and control over themselves and more. Comprehensive and safe defensive riding around small and large 4 wheeled, 6 wheeled and 18 wheeled vehicles REQUIRES lane sharing.
