

Submitter: Tyzer Pelletier
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: SB422

This bill, if passed, will keep riders and their motorcycles safe from overheating. It will protect them from possible collisions by allowing an escape, keeping them out of the way of other drivers. It will help ease the flow of traffic by allowing larger vehicles to move forward into spaces previously occupied by motorcycles. "Lane splitting has been proven effective where allowed. This bill can save lives.
