

Submitter: Anne Walker

On Behalf Of:

Committee: House Committee On Rules

Measure: HB3414

I oppose this bill for two reasons: First, because it fails to recognize the importance of preserving historical structures, communities and downtown areas. Second, because it provides too little oversight of developers. In a rush to provide dense, affordable housing, this bill risks destroying Oregon's history and identity. I believe that we don't need to sacrifice one goal for the other. We can accomplish both.
