

Submitter: Kristen Sartor
On Behalf Of:
Committee: House Committee On Rules
Measure: HB3414

Dear Committee Members,

I am writing to express strong opposition to HB 3414. My primary concern is regarding Section 2 of HB 3414 which would require municipalities to give variances from land use regulations to housing developers. This is an atrocious rollback of environmental protections on urban landscapes and a threat to the wellbeing of our planet. Please remove Section 2. I am in support of this legislation if Section 2 is removed.

Thank you,
Kristen Sartor
