

Submitter: Nicki Strain
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2765

Chair Fahey, Vice-Chairs Breese-Iverson and Kropf, and members of the House Rules Committee,

My name is Nicki Strain and I offer this testimony in support of HB 2765 and the -2 amendment. I live and work in Klamath County and see the effects that the drought has had on our community and surrounding areas. I have also seen the effects on the birds, fish and other wildlife. This bill would have a positive effect on the environment, people and animals that inhabit our area. I have read all of the documents related to this bill and see nothing but positive outcomes due to its passage.

I respectfully encourage you to vote YES on HB 2765 and the -2 amendment.

Again, thank you very much for the opportunity to offer my support for this very important legislation.

Respectfully,

Nicki Strain
