Committee: Joint Committee On Transportation

Measure: HB3382

Dear members of the Joint Committee on Transportation,

I am writing to express my vehement opposition to the Port Dredging Exemption Bill, HB 3382. HB 3382 enables major deepwater ports in Oregon to bypass essential land use and environmental regulations for the sake of fast-tracking extensive dredging and channel modification. This bill sets a dangerous precedent, jeopardizing the health of some of the most ecologically important and sensitive waterways in our state. It would also have a negative impact on local coastal economies including oyster aquaculture, crabbing, and fishing. Please vote no on HB 3382.

Sincerely,

Caitlin Dituro
