

Submitter: Thena Larteri-Lyons

On Behalf Of:

Committee: House Committee On Rules

Measure: SB166

A No Vote. This is just another way to not question the gangsters that are being fraudulent. They are getting ready to steal the 2024 Election. WE THE PEOPLE need to be able to question ANY ELECTION. WE THE PEOPLE NEED VOTER TRANSPARENCY. And the Fraud person who created this bill, speaks for itself.
