Measure: SB166

I OPPOSE SB166. Do not take away our right to public information and the ability to hold election officials accountable! We have just learned our own Secretary of State, who PROMISED transparency, was hiding her own self dealing from the public. You should be focusing on making things more available to the public, not less. The government is supposed to work for the people, not the other way around. This bill would NOT do what it claims.
