

Submitter: Loretta Johnson
On Behalf Of: Douglas County Election Integrity DCCC
Committee: House Committee On Rules
Measure: SB166

I oppose Bill SB 166.

Dear House Committee in Rules,

We have been asking for the Cast Vote Record..that tells how the ballots (which are public records) come in and how they accumulate.

The Secretary of STATE says that we can't see this if anyone writes any identifying remarks on their ballot. Plus they have to check every ballot to make sure there are no identifying remarks. This cost anywhere from a few hundred dollars to ten of thousands of dollars to one case nearly \$700,000.

Plus it takes a year to produce.

They just don't want us to know how the ballots are counted.

Do you oppose secrecy and disenfranchising of the Citizens of Oregon.

More citizens in Oregon are becoming interested in Election Integrity and the true information is breaking through the main stream media.

Oppose this Bill and show Oregonians you support transparency and freedom of information.

Keep the sunshine!

Kindest regards,

Loretta Johnson
