

Submitter: David Wall
On Behalf Of: Mr Oregon Opposes HB 2951
Committee: Joint Committee On Transportation
Measure: HB2951

It is past time to quit mollycoddling those who cannot speak English.

Why should taxpayer's fund educational materials and corresponding overheads to facilitate those who speak Spanish? Make them learn English so at least they will understand what deportation means.

David S. Wall

Mr. Oregon Concurr and says, " Illegal Aliens from Mexico, Honduras, Guatemala, Venezuela, and Cuba for example who do not speak English are going to be afforded Driver's licenses by the seditious "Sanctuary States." That fact is bad enough but to pay for English lessons? Close the border.
