

Submitter: Juli Anne Madill

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SJR26

As an Oregon resident, home owner and tax payer I am done supporting this behavior!! The State of OR has enough money and doesn't use it wisely to begin with. We have the right to have the surplus money given back to us, the taxpayers!! Enough! We pay enough & you do not have the right to take more!!
