

Submitter: Jerilyn Lindquist

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

Please do not take this money away from us, the taxpayers. We already pay more taxes personally than most states and don't see a return for our money. I am a middle aged divorced female with 3 jobs, 1 full, 1 part, 1 when needed to get by and I don't qualify nor do I want help from a state that gives services away with no metrics, logic or critical thinking. Stop wasting the money we do give you and return the rest in good faith.
