Measure: SB774

I STRONGLY oppose this bill!! Even children can see how wrong this is ... explain how someone takes more of your money than they need, without your permission to do so, and then doesn't give it back when they know they took too much! You know and we know that that money belongs to us! You are taxing us to the breaking point. We may have to move because we can't afford to live here anymore! And why? Because Oregon has become greedy and corrupt!
