

Submitter: Patricia Heilman
On Behalf Of: Patients and self
Committee: Senate Committee On Finance and Revenue
Measure: SJR26

Please vote NO on this proposal. As a working nurse, my patients and myself work hard for their income, and if the state collects a little extra during its taxing cycle, it makes sense and is humane to return the excess to the people of Oregon who work hard to make it a great place. Don't punish us hard working class people, vote NO on this bill.
