Committee: Senate Committee On Finance and Revenue  
Measure: SB774

This bill was drawn to my attention just this morning. I am vehemently opposed to this bill. Surplus funds need to be refunded to the individuals and businesses that paid their taxes. Not kept by a state that wastes money and is doing nothing to fix serious problems - more money obviously isn't the answer or these issues would be fixed.

Oregon used to be a fairly affordable state. It is not anymore, and elected officials taking this money is insult to injury.

I OPPOSE THIS BILL.
