

SUBCOMMITTEE RECOMMENDATION

Department of Transportation Transit Vehicles and Facilities

To: Ways and Means Full Committee
From: Transportation and Economic Development Subcommittee
Carrier: Senator Hansell

On March 16th, the Transportation and Economic Development Subcommittee recommended approval of the submission of a federal grant application from the Department of Transportation to the Federal Transit Administration in the amount of \$7,487,150 for bus and bus facilities, on behalf of local transit providers.

ODOT seeks to apply for funds to replace transit vehicles or improve transit facilities on behalf of the City of Lebanon, the Coos County Area Transportation District, the Hood River County Transportation District, the Curry County Public Transportation District, and Morrow County. If grants are awarded, matching funds of 10 to 20 percent of the project cost is the responsibility of the local grant recipient.

The Transportation and Economic Development Subcommittee recommends approval.
