

SUBCOMMITTEE RECOMMENDATION

HB 5041

Relating to financial administration of the Department of Transportation (ODOT Fee Bill)

To: Ways and Means Full Committee
From: Transportation and Economic Development Subcommittee
Carrier: Senator Hansell

HB 5041 increases fees associated with issuance of license plates, to reflect an increase in costs of manufacture.

The cost of manufacture of a single plate increased by \$0.50, and the cost of manufacture for a pair of plates increased by \$1. The bill reflects that increase by updating the cost of issuance of license plates (the cost that will be paid by the customer) to \$12.50 and \$25.50, respectively. The resulting \$1,053,994 increase in revenue is assumed in the Department of Transportation's budget bill, HB 5040, policy option package 111.

The Transportation and Economic Development Subcommittee recommends HB 5041 be reported out do pass.
