To: Ways and Means Full Committee  
From: Natural Resources Subcommittee  
Carrier: Senator Anderson

---

SB 835 directs the Environmental Quality Commission to adopt rules regarding the conditions to approve a proposal to permanently connect an accessory dwelling unit to the same subsurface sewage disposal system or alternative sewage disposal system as a single-family dwelling on the same lot or parcel.

The Department of Environmental Quality will use existing resources, as well as a position that is to be provided in SB 931, for implementation of this measure.

The Natural Resources Subcommittee recommends SB 835 be reported out do pass.
