

Open Government Impact Statement

82nd Oregon Legislative Assembly
2023 Regular Session

Measure: HB 2535 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 3/15/2023

SUMMARY

Requires Department of Corrections to establish doula program for pregnant and postpartum adults in custody at Coffee Creek Correctional Facility. Specifies requirements of program and doula services that must be provided to pregnant adults in custody and during one-year postpartum period.

Limits use of mechanical restraints on adults in custody during labor, childbirth and postpartum recovery in hospital. Prohibits use of mechanical restraints in manner that interferes with postpartum individual's ability to hold or nurse infant, establish milk supply, obtain lactation support or receive postpartum recovery care.

Requires department to use medically appropriate procedures constituting least restrictive means to ensure safe transport and arrival at correctional facility following adult in custody giving birth to child at hospital.

Directs department to develop certain procedures to implement program and report to Legislative Assembly no later than March 15, 2024.

Takes effect on 91st day following adjournment sine die.
