Chair Jama, Vice Chair Anderson, and Members of the Committee:

My name is Gloria and I am a 86.6-year old senior retiree residing in Eugene. I strongly urge passage of SB611 which addresses the critical need for rental stability limiting the amount of rent increase to 3 percent plus CPI or 8 percent whichever is less here in Oregon.

There is no denying that the lack of affordable housing has placed a burden on low and fixed income seniors.

Thank you for your service.

Gloria
