Committee: House Committee On Business and Labor

Measure: HB2915

The puppies sold in pet stores come from irresponsible and inhumane puppy mills, and prohibiting the sale of these innocent beings would save SO many dogs who are forced to spend their lives in filthy, cramped cages and exposed to harsh environments. The people who run puppy mills are in business for one thing and one thing only - MONEY. They care nothing about the well-being of the animals they own and should be stopped from contributing to pet overpopulation and breeding purposes.
