

Submitter: Stacy Dickinson

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2915

I've volunteered in shelters and rescue for years. Please don't allow pet stores, which only sell puppies from puppy mills and back yard breeders who could care less about the animals and problems they create. A true, reputable breeder who cares about the health of their puppies would never sell to a pet store and we don't want or need more unhealthy pets in our state. Please vote to keep pet stores from selling live animals.
