Committee: House Committee On Housing and Homelessness  
Measure: HB2001

To the Housing Committee on Housing and Homelessness:

My name is Robbin McMain and I am writing to correct my previous testimony. I support HB 2001. Also, I did not realize that I stated rent hike if \$100.00 a year. I meant a rent hike of \$100.00 a month.

I'm president of our mobile home tenants association here in Brookings, Oregon. We have be purchased by a large corporation in Washington State. Life has been difficult ever since. Our park is 55 and older park. We are a close knit community and care for our neighbors. We have singles and couples living here on in fixed incomes. We are being forced into fear and stress with rent hikes and short evictions that are unreasonable!

Being we live in our invested home we can't just pack a UHaul and move. If we do we leave the home we bought and paid for.

Thank you for consideration of my testimony.
