RE: In support of HB 2001

Chair Dexter, Vice-Chairs Gamba and Helfrich, and Members of the Committee,

My name is Maria M. and I live in the city of Hillsboro and I am writing this letter in support of the Stable Homes for Oregon Families bill. Without the fear of being evicted for lack of excessive rent.

My family and I suffered an economic crisis in 2022 and we were about to be evicted. I was pregnant so we only have my husband's salary. I was looking for resources to help me, but I did not find. That is why I know that only some families have access to the few and limited resources.

The rent has increased a lot and where I live the apartment has a lot of mold and I know that it is not healthy for my children, but the price of rents nowadays is not in my budget to be able to live in a place that is in better conditions.

For my family and families like me, I ask you to support the Stable Home for Oregon Families bill.

Thank you so much

Maria M.
