

Submitter: Jonathan Wright

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB2001

Let's use the programs that are already in place and funded before we go spending more of hard earned dollars of working Oregonians.

The origins of this bill are questionable - just exactly who stands to benefit financially? Who will be awarded the contracts? Which senators and representatives are sponsoring?

Normal Oregonians are fed up with wasteful spending and are paying attention to which bills are passed and become law.
