

Submitter: Jacob Tarnoff  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB3214

Thank you for writing this bill. There are a million words I have to support this but I'm sure you already know why this bill is so important. We have so few opportunities to leave this planet better than we found it, and this bill is one of them. Please, please, please—pass this bill into law. Thank you.
