

Submitter: Brenda Harrop

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3214

Six states ban the use of animals in traveling animal acts or circuses: California, Colorado, Hawaii, Illinois, New Jersey, and New York. Oregon must follow and eventually all states and countries will ban abusing innocent animals in circuses. The animals are tortured and imprisoned in egregious conditions where they are denied access to their families and natural habitats. This must be banned immediately and all animals sent to accredited sanctuaries.
