Committee: House Committee On Judiciary Measure: HB3214

House Judiciary Committee Members,

As a dedicated advocate for animal welfare, I implore you to vote NO to House Bill 3214.

This bill is poorly written and over-reaching. It will have unintended consequences that ripple through many organizations. Organizations that responsibly perform alongside our animal athletes.

One such organization is the Happy Canyon Indian Pageant in Pendleton. This depiction of the Native American story has been seen and enjoyed by spectators for 106 years. People come from miles away to camp and participate with their family and horses. Under this poorly written law this will become illegal and punishable by law.

4.(c) "Traveling animal act" means a performance of an animal to which the animal is transported to perform.

I fiercely oppose HB3214. These are the ambiguous, uneducated, and poorly written bills that make it extremely difficult to be an Oregonian. Please understand that this bill will have far-reaching unintended consequences that will be felt by animal loving Oregonians all over this state.

Sincerely,

Tanner Hawkins
