

Submitter: Brenda Hawkins

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

By making it more difficult for investors to own rental homes, we will only see a greater number of investors leaving our state to go to another. This will reduce the number of homes for rent and make it even more difficult for people to find rentals. We already have one of the strictest rent control laws in the country. We do not need to compound the situation. Please vote no on this.
