

Submitter: Geri Berg

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB3090

Flavored inhalants or flavored tobacco products are for profits, not the health of our children. Addicted kids become addicted adults and the cost to Oregonians in health care costs will skyrocket. Please see through this marketing scheme and protect our children's health.

Support HB 3090.

Geri Berg, MSW
