

Submitter: Sean Turley

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

My name is Sean Turley and I work in Portland and live in Clackamas County. I have worked in the rental housing industry for 15 years. Please vote NO on SB 611.

It's clear that rent control isn't working in Portland or around the state. Most of our cities are growing more unaffordable by the day. This bill will make things even worse and doesn't address the root cause of housing instability.

Housing Oregonians at the sole expense of those providing their housing is not sound public policy and is not a sustainable way to address housing instability. We need to focus on permanent rent assistance and increasing supply.

If the state wants to achieve the goal of 36,000 new housing units per year, we cannot pass this bill. More rent control will only disincentivize new development and ownership of rental units. This bill leads us further away from our housing goals.

Thanks

Sean
