

Submitter: Lori Landrum

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

If rent is not capped we are going to have a much bigger homeless population than we already have. I for one will be homeless if my mobile home park rent goes up by \$80. I live on SSA and barely make enough to cover the rent as it is.

I have free antenna TV as I cannot afford to have cable, I recently sold my only means of transportation as I cannot afford the insurance etc. I have nothing left that I could get rid of to make up for the rent increase.

I will be homeless in just a few months if the rent cap isn't put into place prior to my next rent increase.

Between everything going up..gas. groceries etc. Please vote for sb611 ASAP.

Thank you
