Measure: HB3090

Dear Chair Nosse, and members of the committee

My name is Ashley and I live in Baker City, Oregon. I am asking you to vote no on HB3090 \This bill will not allow adults to use flavors to stop smoking. I only see this ban leading adults back to smoking combustible cigarettes, something I tried to quit for many years.. I personally would not ever want to vape tobacco flavors to stop smoking. I would just continue smoking if that were the case. I smoked since I was 14 yrs old and now at 33 yrs old I no longer smoke or vape. I would not have been able to stop smoking without this device and the flavors. I feel better and can breath better now then ever before. I accredit the vape pen and the flavors for my success in quitting nicotine all together. I didn't get hooked on flavors I was able to stop both. I am asking you to please vote no on HB3090
