

Submitter: Susan Valas  
On Behalf Of: Woodspring Tenants Association  
Committee: Senate Committee On Housing and Development  
Measure: SB611

I am an 80 year old widow who moved to Oregon from the East coast to be near my only sister who has terminal cancer.

Woodspring has been a wonderful place to live and I can afford to pay the rent.

I volunteer in the funeral ministry at my church and the St. Vincent de Paul group that feeds the homeless in Tigard

Please pass Senate Bill 611 so that myself and those of us who've considered Woodspring our home can afford to remain here.

We may be "seniors", but we're responsible, contributing members of our community and want to stay this way. Thank you.
